New Book:

How To Date and Stay Saved

From the author of Black Expressions' Bestseller, *He's Fine...But is He Saved?* comes her 4th release for Christian singles, a nonfiction book entitled, *How to Date and Stay Saved*. "In ministering for the last five years at singles conferences and meetings across the country, I've discovered that many have a sincere desire to please God in their relationships, but they just don't know *how* to do it," Kim says. Thus began the birth of her newest book.

This book teaches:

- *How to Date God's way and in His proper order.
- *5 Ways to tame the beast known as the flesh.
- *How to be abstinent and still satisfied while dating, even if you weren't abstinent in the past.
- *2 things you should always do at all times while dating.
- *5 ways to true intimacy without sex.
- *The danger of marrying just for sex.

Based on God's Word and practical, down-to-earth examples, this book outlines how to date *and* remain abstinent until marriage. The final chapter features a dozen couples who were abstinent with each other, in spite of their sexual pasts, for at least a year and are now happily married.
